Trusted by professionals

Ajax proprietary hardware and software technologies use the expertise of security professionals from all over the world to meet the strictest industry standards. Ajax equipment earned the highest reliability grade available to the wireless security systems after testing in five independent laboratories. Moreover, intuitive apps help engineers to remotely configure, administer, and monitor thousands of Ajax security systems at once.

EN 50131 Grade II
Security certification

EN 14604
Fire safety certification

CE
Certification

Loved by end users

Ajax security system combines the reliability of professional security equipment with the user experience of smart home gadgets. People understand how Ajax works in minutes, which enhances the sales process. Over 900,000 users protect their properties with Ajax in more than 120 countries around the world. The latest customer satisfaction survey shows that 9 out of 10 Ajax owners would recommend the system to their friends and families.

★ Trustpilot

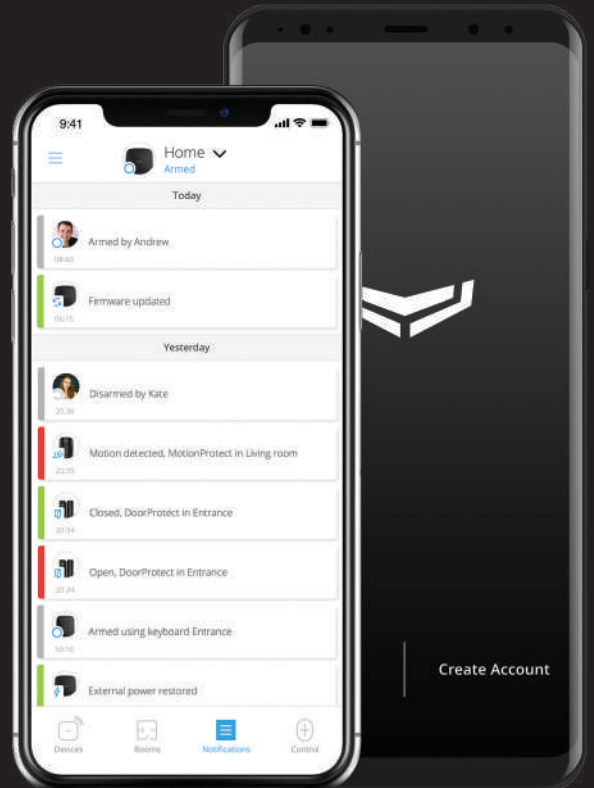

Intuitive free apps

Alarms delivered via push-notifications, SMS, and calls

Free OS Malevich updates increase the system's functionality regularly

Central Units

Hub

Control panel

Hub Plus

Advanced control panel

Hub 2

Control panel with alarm photo verification support

Hub 2 Plus

Advanced control panel with alarm photo verification support

Range Extender

ReX

Radio signal range extender

Power Supply Units

12V PSU for
Hub/Hub Plus/ReX

12 V Power Supply Unit
for Hub/Hub Plus/ReX

12V PSU for Hub 2

12 V Power Supply Unit for Hub 2

6V PSU for
Hub 2/Hub 2 Plus

6 V Power Supply Unit
for Hub 2/Hub 2 Plus

Intrusion Protection

OUTDOOR
SECURITY

MotionProtect Outdoor

Wireless outdoor motion detector with anti-masking and pet immunity

MotionProtect

Wireless pet immune motion detector

MotionProtect Plus

Wireless pet immune motion detector with additional microwave sensor

CombiProtect

Combined wireless motion and glass break detector with pet immunity

OUTDOOR
SECURITY

MotionCam Outdoor

Wireless outdoor motion detector with visual alarm verification, anti-masking, and pet immunity

DoorProtect

Wireless magnetic opening detector

DoorProtect Plus

Wireless magnetic opening detector with shock and tilt sensor

OUTDOOR
SECURITY

DualCurtain Outdoor

Wireless outdoor dual-side curtain-type motion detector with anti-masking and pet immunity

MotionProtect Curtain

Wireless indoor curtain motion detector

GlassProtect

Wireless glass break detector

MotionCam

Wireless motion detector with visual alarm verification and pet immunity

Intergration Modules

Transmitter

Integration module for third-party wired device integration to Ajax security system

MultiTransmitter

Integration module with 18 wired zones for connecting third-party devices to Ajax security system

KeyPad Plus

Wireless touch keypad supporting contactless cards and tags

Button

Wireless panic button / smart button

KeyPad

Wireless touch keypad

SpaceControl

Security system key fob with panic button

DoubleButton

Wireless hold-up device with advanced protection against accidental activation

Fire Detection

FireProtect

Wireless smoke and temperature detector with sounder

FireProtect Plus

Wireless smoke, temperature, and carbon monoxide detector with sounder

Flood Prevention

LeaksProtect

Wireless leak detector

Sirens

HomeSiren

Wireless indoor siren

StreetSiren

Wireless outdoor siren

StreetSiren DoubleDeck

Wireless outdoor siren with a spot for a customizable Brandplate

Automation Devices

WallSwitch

Remote control power relay with energy monitor

Relay

Remote control low current relay with dry contacts

Socket

Smart plug with energy monitor
