

Viewtech Halo Safety Light

Industrial Quality Safety Lighting

\\ XW10340 Halo Arc Beam
\\ XW102060 Halo Line Beam

IP67 Rated / High Quality Construction / Multi-Voltage

Viewtech Halo lights are fit for purpose and use ultra high quality components.

The Viewtech Halo Safety Light System provides a visible border around forklifts and material handling vehicles.

Its primary purpose is to warn pedestrians working around machines of the imminent danger of walking into or near the Halo border.

The system consists of four Halo light modules - Halo Lines for the sides and a Halo Arc for the ends. You may use a combination of any to provide the safety coverage that is required.

Specifications		
Halo Line	Halo Line	Halo Arc
LED Power	60W	30W
LED Colour	RED	
Materials	Polycarbonate lens, Stainless Hardware, Treated alloy Housing	
Water/Dust	IP67	
Voltage	10V-80V	
Dimensions	250L x 73D x 80H	142L x 81D x 130H

Applications

- › Forklifts and Material Handling
- › Skid Steers
- › Agriculture
- › Road Working
- › Refuse Collection

Main Features

- › Diecast aluminium housing and stainless steel brackets
- › EMC rated
- › Salt protected
- › Multi-voltage
- › High operating temperature range
- › High vibration resistance
- › 3 year NZ/AU Warranty

Fit For Purpose

Temperature and vibration ratings ensure the unit can survive extremely harsh conditions.
